Dear Ed,

Attached is a copy of the wood duck banding quota for Tennessee showing the number assigned to each banding cooperator. Hopefully we will be able to maintain the successful banding program that has been traditional in Tennessee.

If you have any changes you want to make in quota assignments, please let me know.

Your cooperation in this effort is appreciated.

Cordially,

Don

UNITED STATES GOVERNMENT

memorandum

DATE: July 18, 1995

REPLY TO ATTN OF: Migratory Bird Field Coordinator, Memphis, TN

SUBJECT: 1995 Wood Duck Banding Quotas

TO: District Refuge Managers

The attached table shows **minimum** 1995 preseason (July, August and September) banding quotas for wood ducks. Your excellent cooperation in the past has resulted in both Tennessee and Kentucky meeting statewide quotas for several years. As you know, the survival data resulting from your banding efforts are very important for maintaining the current wood duck management program.

If you have any questions, please give me a call.

Dear Scott:

Attached is a final summary of preseason wood duck banding accomplishments for 1987. Approximately 2,200 more wood ducks were banded in 1987 than in 1986. We appreciate your assistance in this cooperative effort.

Cordially,

Don H. Orr
